USER'S INSTRUCTIONS

FITTING INSTRUCTIONS:

- **1.** Hold mask in position over nose and mouth, with retaining straps around back of hand. Pull lower portion of strap over head and fit around neck.
- 2. Stretch and pull the upper strap over your head on the back of your head above your ears.
- **3.** Adjust the tension in the upper and lower portions of the continuous loop strap, to ensure a positive face seal.
- **4.** Tension may be increased by pulling strap at either side of buckle to obtain a tighter facial fit. Tension may be decreased by pushing out the back of the buckle to obtain a looser facial fit.
- **5.** Cup both hands over the respirator and exhale vigorously. If air flows around your nose, reposition the respirator. If air leaks around the edges, repeat point 3 and 4.
- **6.** During work break, take off the lower portion of strap. Let the respirator hang around the neck.
- **7.** Change respirator immediately if breathing becomes difficult or respirator becomes damaged or distorted, or a proper face fit can not be maintained. Careful observance of these instructions is an important step in safe respirator use.

WARNING:

- 1. This product does not eliminate the risk of contracting any disease or infection.
- **2.** Failure to follow all instructions and limitations on the use of this product could reduce the effectiveness of respirator and result in sickness or death.
- **3.** A properly selected respirator is essential to protect your health. Before using this respirator, consult an Industrial Hygienist or Occupational Safety Professional to determine the suitability for your intended use
- **4.** This product does not supply oxygen. Use only in adequately ventilated areas containing sufficient oxygen to support life. Do not use this respirator when oxygen concentration is less than 19.5%.
- 5. Do not use when concentrations of contaminants are immediately dangerous to health or life.
- **6.** Leave work area immediately and return to fresh air if (a) breathing becomes difficult, or (b) dizziness or other distress occurs.
- 7. Facial hairs or beards and certain facial characteristics may reduce the effectiveness of this respirator.
- 8. Never alter or modify this respirator in any way.
- 9. Only for single use. No maintenance necessary. Discard the used respirator after single use.
- **10.** Keep respirators in the display box away from direct sunlight until use.
- **11.** This respirator can provide the relief of nuisance odors/organic vapors (OV) below permissible exposure limit (PEL).
